

# IMRAN SHEKH

---

Frontend developer

E-3829 Rajaji puram, Lucknow

## SUMMARY

---

Dedicated Electronics and Communication Engineering graduate with a strong passion for frontend development. Combining a solid technical foundation in engineering with a keen eye for user-centric design, I aspire to create seamless and visually appealing digital experiences. This combination of technical knowledge and my passion for programming has motivated me to embark on a journey to become a proficient software developer.
